RE: Petition No. 1547 – SBA Communications Corporation petition for a declaratory ruling, pursuant to Connecticut General Statutes 4-176 and 16-50k, for the proposed replacement and extension of an existing telecommunications facility located at 277 Huckleberry Hill Road, Avon, Connecticut

Dear Ms. Bachman:

I am pleased to submit this letter in support of the above referenced docket. The Town of Avon has a vested interest in the approval of this Petition without delay as the proposed replacement tower is needed to support the Town's public safety communications objectives.

Avon's current system has reached the end of its useful life, and the Town experiences significant coverage gaps and lacks the functionality, features, and security of a modern public safety grade communications network. The current system poses a danger to the public and to our first responders.

Thank you for the opportunity to express the Town's support for this Petition. Please contact me at (860) 409-4319 or bappell@avonct.gov with any questions.
