RE: **PETITION NO. 1586** – Dominion Energy Nuclear Connecticut, Inc. petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, that neither a new Certificate of Environmental Compatibility and Public Need (Certificate) nor a modification to its existing Certificate is required to revise the boundaries of the Millstone Power Station electric generating facility site located off Rope Ferry Road, Waterford, Connecticut. **Request for Party Status.**

Dear Attorney Avena:

The Connecticut Siting Council (Council) is in receipt of your letter of August 25, 2023, requesting Party status under Connecticut General Statutes (C.G.S.) §4-177a and §16-50n for the Town of Waterford in Petition 1586.

Your request will be placed on the next available meeting agenda, a copy of which will be sent to you. Your attendance is welcome but is not required. You will be notified of the Council's determination immediately thereafter.

While your request is pending, information regarding Party/Intervenor Status may be accessed on the Council's website at the following link: <https://portal.ct.gov/CSC/Public-Participation/Public-Participation-Information-Links>.

All documents filed to date are available at the Council's office or on our website under pending matters.

Please contact me if you have any questions.

Sincerely,

Melanie A. Bachman
Executive Director
