RE: **PETITION NO. 816** – Waterbury Generation LLC petition for a declaratory ruling regarding the process to be used by the Connecticut Siting Council for review and approval of a proposed combustion turbine peaking facility, located at 725 Bank Street, Waterbury, Connecticut.

Dear Attorney Small:

At a public meeting held on July 3, 2007, the Connecticut Siting Council (Council) considered and ruled, via declaratory ruling, that pursuant to General Statutes § 16-243m(g), WatGen should request a declaratory ruling in connection with its proposed a 97.5-megawatt (net) combustion turbine peaking facility in Waterbury, Connecticut.

This decision is under the exclusive jurisdiction of the Council.

Very truly yours,

Daniel F. Caruso
