

STATE OF CONNECTICUT

SITING COUNCIL

**Re: Petition 745
2006 Revision of the Electric and Magnetic
Field Best Management Practices**

February 1, 2007

JOINT FILING OF PROPOSED REVISED BEST MANAGEMENT PRACTICES

The Connecticut Light and Power Company, The United Illuminating Company, and J. Robert Galvin, M.D., M.P.H., Commissioner of the State of Connecticut Department of Public Health (collectively, the "Proponents"), hereby jointly submit a proposed revision of the Council's EMF Best Management Practices ("BMP"). The Proponents jointly respectfully suggest that these proposed revised BMP are consistent with the principle of "prudent avoidance," and constitute a reasonable accommodation of any differences in their positions in the declaratory ruling proceeding and any differences in the testimony provided by the witnesses at the Council's most recent hearing on this matter, on January 9, 2007.

Exhibit A hereto is a copy of the proposed revised BMP that the Proponents ask the Council to adopt.

Exhibit B hereto, for convenience of reference, is a second copy of the document, with grey highlighting to indicate text that differs from that in the Council's September 28, 2006 comment draft.

Respectfully submitted,

THE CONNECTICUT LIGHT AND
POWER COMPANY,
