VOLUME 2 (Manuscript Copy)

June 1699 - March 1712/13 (Including Probate Records)

SEPARATE INDEX

Hartford Connecticut State Library 1936 This is one of twenty-seven volumes of New Haven County, Connecticut, County Court Records 1666-1855, which together with a volume of Equity Records 1773-1821, a volume of Conservators Appointments and Reports, etc., and six pamphlets, were permanently deposited in the Connecticut State Library on July 10, 1936, by Alfred N.Wheeler, Clerk of the Superior Court for New Haven County, via Harold S.Burt, Examiner of Public Records.

These records were deposited in the State Library under An Act concerning the preservation of books, records and documents (Public Acts, 1909, Chapter 175) which with its several amendments, authorizes the permanent deposit in the State Library by any official of the state, or of any county or town, official records not in current use.

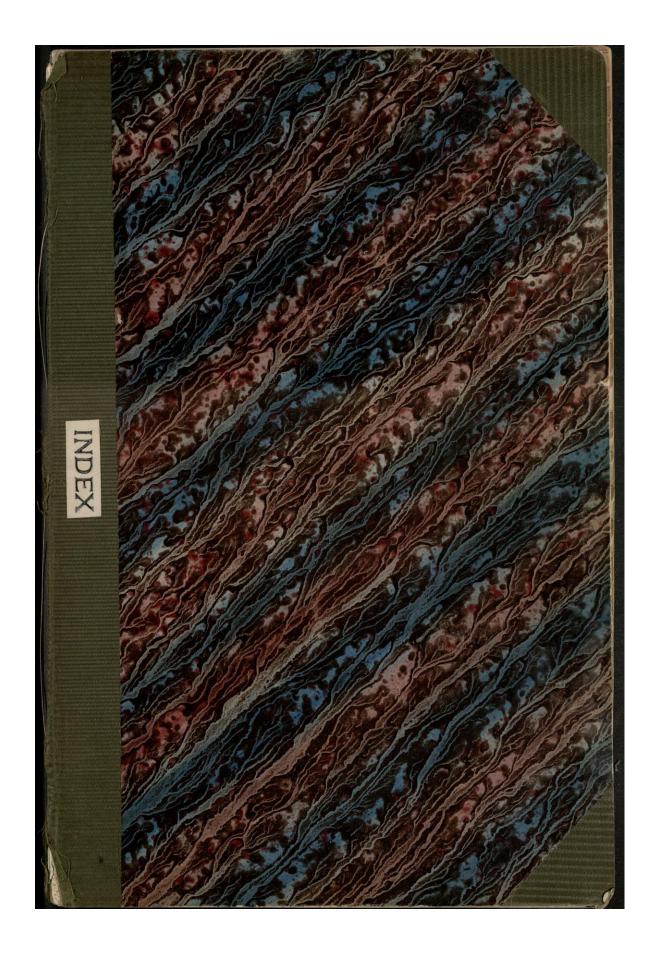

In Volume 27 of this Series, Page 298 (June Term 1851) is found the following entry:

"Ordered that the Clerk of this Court copy or procure to be copied into a new record book, the second volume of the County records or so much thereof as can be copied, said 2d volume containing the re-cord of this Court from 1699 to 1712".

The original Volume 2 of New Haven County, Connecticut, County Court Records 1699-1712/13 was permanently deposited in the Connecticut State Library on June 3, 1936 by the Clerk of New Haven County Superior Court, via Harold S.Burt, Examiner of Public Records. The center leaves of the original volume are very badly corroded by the ink.
