NOTE.

This is one of twenty-seven volumes of New Haven County, Connecticut, County Court Records 1666-1855, which together with a volume of Equity Records 1773-1821, a volume of Conservators Appointments and Reports, etc., and six pamphlets, were permanently deposited in the Connecticut State Library on July 10, 1936, by Alfred N. Wheeler, Clerk of the Superior Court for New Haven County, via Harold S. Burt, Examiner of Public Records.

These records were deposited in the State Library under An Act concerning the preservation of books, records and documents (Public Acts, 1909, Chapter 175) which with its several amendments, authorizes the permanent deposit in the State Library by any official of the state or of any county or town, official records not in current use.
