

THANKS FOR GETTING TESTED. HERE ARE 3 THINGS TO KNOW IF YOU TEST POSITIVE.

1. EXPECT A CALL FROM A CONTACT TRACER

If you are reached by a Contact Tracer, **expect to have a detailed conversation about your recent family and social contacts.**

In most cases, a **Contact Tracer's call will appear on your caller ID as CT COVID TRACE.** The call may also be from your local health department.

2. ABOUT YOUR PERSONAL INFORMATION

Your personal information will not be shared outside of the Department of Public Health. Your personal information will be protected.

3. BE AWARE OF SCAMS

Connecticut's Contact Tracers will never:

Ask for bank details or any kind of payment.

Contact you on social media.

Ask you to call a number that starts with "1-900" or "900".

感谢您接受检测！ 若您的检测结果呈阳性，则需要了解三件事情。

1. 将会收到来自接触情况追踪人员 (CONTACT TRACER) 的致电

若您联系了接触情况追踪人员，预计将就您最近的家庭和社交接触情况进行详细的对话。

在大多数情况下，接触情况追踪人员的呼叫将在您的呼叫者 ID 上显示为 CT COVID TRACE。该致电也可能来自当地的卫生部门。

2. 关于您的个人信息

您的个人信息不会在公共卫生部之外共享。您的个人信息将受到保护。

3. 谨防诈骗

康涅狄格州的触情况追踪人员永远不会：

询问银行详细信息或要求任何形式的付款。

通过社交媒体与您联系。

要求您呼叫以“1-900”或“900”开头的号码。
