DAS Procurement wants to Hear from State Agencies

The DAS Procurement Division has issued its first annual Customer Satisfaction Survey. We are here to service your agency and this feedback is essential in our ability to support and deliver programs and services that meet your business needs.

The goal of this survey is to measure how well our program teams are servicing your agency's needs.

Questions will be focused on our responsiveness, accountability, professionalism, accessibility, training offerings, website information, and the quality of our various products and programs. We also encourage any additional comments you may have on service level expectations or program improvements that we should consider offering in the future. This survey should take 10 minutes or less of your time and we appreciate your response prior to Thursday, February 20, 2018.

Feedback will be solely used as a way to measure and improve our performance and program products. Thank you for your participation and feel free to share with any of your agency staff who use our services!

State Surplus and New Vehicle Titles

When you think of State Surplus you likely equate it with the old, unneeded items you have, from office accessories to buses, and everything in between.

You are correct, but when it comes to vehicles, State Surplus does something additional.

State Surplus works directly with the DMV to get new vehicles titled right from the start, instead of only when they are surplus, which saves a lot of time, risk of error, and additional work on the tail end when we are ready to get rid of vehicles. Less time waiting for titles means quicker turnaround in sales of items, resulting in higher proceeds and faster removal from inventory. If your agency has purchased any new vehicles recently, please email Veronica Coty. She will need the following information from you:

H-13 (filled out by the dealer)
Odometer Disclosure (filled out by the dealer)
Certificate of Origin

These documents should be forwarded to Veronica with a notation that they are for new vehicle titles. Veronica's contact information is the following:

Veronica Coty
DAS State Surplus Unit
450 Columbus Blvd., Suite 1202
Hartford, CT 06103

If you have any questions in regards to this process, please email Veronica.Coty@ct.gov for clarification. Thank you.
