ACCESS CARDKEY HOLDER ACKNOWLEDGEMENT (READ BEFORE SIGNING)

Upon signing this Electronic Access Cardkey request form and taking possession of the electronic card key, the holder acknowledges that at the time of separation from state service or separation from state agency, he/she is responsible for returning the electronic cardkey to his/her supervisor, agency personnel department or security department. The Electronic Cardkey is not to be "loaned out" or "borrowed by anyone" and will remain State owned property that is specifically assigned to you and you are solely responsible for it. Access cardholders are not to allow anyone to "Piggyback" at any time when using their access card to enter the building or any restricted areas. Allowing unauthorized individuals to "piggyback" into secured areas can result in an unsafe workplace and tangible losses such as thefts, etc.

If the electronic cardkey is lost, stolen, broken or deliberately damaged the employee shall immediately notify his/her Agency Access Control Liaison or Personnel Department for immediate deactivation of the cardkey, and to request that a replacement be issued. Please know there is a fee of \$10.00 charged for the replacement of a lost access cardkey.

Checks are to be made out to the "**Treasurer State of Connecticut**" and forwarded for deposit to the DAS Statewide Security Unit, 450 Columbus Blvd., Plaza Suite 10, Hartford, CT 06103.

Cash (exact change) payments are accepted at the DAS Accounts Receivable Office, 450 Columbus Blvd., Hartford, CT. To make arrangements please call either 860-713-5901 or 860-713-5736.

Prior to replacing a lost card a copy of the receipt or check must be presented either in person or sent to Statewide Security via fax or pdf scan.

Prior to replacing a defective card the defective card must be either presented to Statewide Security or a copy of the card clearly showing the card number must be sent to Statewide Security via fax or pdf scan.

Note – A "Temporary Use" or "Daily Use" access cardkey will not be provided if your cardkey is misplaced or left at home. Possession of this electronic access cardkey alone does not authorize you to enter the premises after-hours without a burglar alarm system password. For after-hours building entry, in addition to this electronic access card, you must also have a burglar alarm system password. Employees are not to call the DAS Statewide Security Unit directly for programming or disabling of access cardkeys. Any requests, questions or concerns regarding access cardkeys must be referred to the employee's Agency Access Control Liaison for resolution.
