How Population & Performance Accountability FIT TOGETHER
THE LINKAGE Between POPULATION and PERFORMANCE

POPULATION ACCOUNTABILITY

Healthy Births
Rate of low birth-weight babies

Children are Safe
Rate of child abuse and neglect

Children Ready for Future Success
Percent fully ready per K-entry assessment

PERFORMANCE ACCOUNTABILITY

Child Welfare Program

<table>
<thead>

Contribution relationship
Alignment of measures
Appropriate responsibility
Connecticut’s Children live in stable environments, are safe, healthy, and ready for future success

Strategy #2. Apply strength-based, family-centered policy, practice and programs agency-wide

2.1 Fully implement Child and Family Teaming
2.2 **Support and evaluate the DCF Family Assessment Response**
2.3 Assure sibling connections
2.4 Expand and support kinship foster family care
2.5 Expand the DCF Fatherhood Initiative
2.6 Meet Juan F. Consent Decree case planning requirements
Families Served by Community Partner Agencies
April 2012 through December 2012

Admissions to Community Partner Agencies by Quarter
n=585

- April - June 2012: 124
- July - Sept 2012: 257
- Oct-Dec 2012: 204
Families completing Services
With no New Careline Referrals during Treatment

![Bar chart showing the number of families discharged, families with new referrals to Careline, and families with no new referrals to Careline from April 2012 to December 2012. The chart indicates that 155 families were discharged, 11 families had new referrals, and 144 families had no new referrals.]
