Status Report on the Investigation Concerning the Use of Deadly Force in Waterbury on  
January 20, 2020 Resulting in the Death of Edward Gendron

On this date, April 1, 2020, the undersigned received the post mortem report of Dr. Gregory A. Vincent, Associate Medical Examiner. This post mortem report also included a toxicology report.

Consistent with the initial ME-123, Dr. Vincent found Mr. Gendron's cause of death to be two penetrating gunshot wounds to the chest. Both projectiles were recovered.

Cordially,

Brian Preleski  
New Britain State's Attorney
