I make the following statement, without fear, threat or promise. Today at around 6:30 PM I arrived at my friend Lewis Neals house who lives on the first floor at 184 Oak Street, Manchester. We were in the back yard hanging out. Around 7 PM we saw a bunch of police pull up in the front yard of the house across the street. Lewis and I then went inside his house. We were looking out the window and saw the police with their guns drawn outside the house across the street. There were about 5 police officers.

About an hour later a SWAT truck came, and about 30 minutes later another SWAT truck arrived. Both were parked in front of the house.

About 30 minutes after the second SWAT truck arrived, a guy ran out the front door of the house. I heard cops say Jose come out with your hands up. I saw a guy come out of the house onto the front porch with his hands up at about head level. The guy ran out of the house aggressively and got shot on the porch. I heard about 5 or 6 shots. Once I heard the shots I ducked down. I did not see anything in the guys hands.

When I got up, I saw the police going into the house. The guy was laying on the porch. I then saw the police drag the guy to the back of the SWAT truck. The ambulance came shortly after and I saw the police and paramedics get the guy onto the ambulance.

After that Lewis and I got out of the window and stopped watching.

By affixing my signature to this statement, I acknowledge that I have read it and / or have had it read to me and it is true to the best of my knowledge & belief.
