FOR IMMEDIATE RELEASE

From the Office of John Suchy  
Liquor Control Division

Commission Approves Extension of Delivery For All Wholesalers for Alcoholic Liquor Products Ordered In August 2016 And Extends Such Delivery Through September 2, 2016.

On August 16, at its regular meeting, the Liquor Control Commission ruled that all Connecticut wholesalers may deliver product through September 2, 2016 as long as the product was ordered in August 2016.

This is not an extension of ordering product but rather an extension of date of delivery only.

I apologize for the delay in transmitting this information to the industry. I was out of the office and was unaware of this matter until only recently.
