

CONNECTICUT DEPARTMENT OF CONSUMER PROTECTION

MICHELLE H. SEAGULL | COMMISSIONER

October 28, 2021

From the Office of M. Caitlin S. Anderson
Liquor Control Division Director

RE: Alcoholic Beverage Donation Portal

All non-profit, non-commercial, and charitable 501(c)(3) organizations are required by law to obtain a temporary liquor permit when sponsoring or holding an event during which the service, sale, or tasting of donated alcoholic beverages will occur. Additionally, according to Connecticut Regulations § 30-6-A41, commercial and for-profit licensees wishing to donate alcoholic beverages to such events must notify the Department of the intended donation.

To provide a standardized, efficient, and responsive donation request process, we have created an online donation portal that is accessed through your current e-License credential account. Utilizing our online process will expedite the review and acknowledgment of your request. Emailed, mailed, or faxed letters will no longer be accepted.

Steps to complete the liquor donation process:

1. Go to <https://elicense.ct.gov>.
2. Log into your active credential's account with your existing user ID and password.
3. Once logged in, scroll down to "More Online Services," then click "License Maintenance."
4. Select the credential making the donation and click "Start."
5. From the drop-down menu, select "Liquor Donation" and complete the submittal process.
6. Once the donation request is submitted properly, you will receive an immediate email from the Department acknowledging the donation. Upon receipt of the email, your notification is complete, and you may donate the product as described.

Please note that liquor donations will not be allowed or accepted unless the sponsoring organization holds an active temporary liquor permit. Donation requests may not be made until the temporary permit is approved by the Department.

Frequently answered questions, instructions, and other procedural information for charitable, non-profit, and non-commercial organizations about temporary liquor permits can be accessed on the Department's webpage:
