In the event my request is granted, I understand there will be an additional fee of $500 associated with the issuance of such provisional permit.

I also agree with the Department of Consumer Protection that if for any reason I am not approved for a liquor permit within 90 days of this date, that my provisional permit will give no right or authority to sell alcohol, unless I request, and the Liquor Control Commission, grants an extension of my provisional permit. I understand that my application must be investigated and that I must provide the department all documentation required to process my application. I also understand that if a remonstrance is filed within the time prescribed by statute, the Liquor Control Commission is required to conduct a hearing regarding the suitability of person or place.

Sec. 30-35b. Ninety-day provisional permit.
A ninety-day provisional permit shall allow the retail sale of alcoholic liquor by any applicant and his backer, if any, who has made application for a liquor permit pursuant to section 30-39 and may be issued at the discretion of the Liquor Control Commission. If said applicant or his backer, if any, causes any delay in the investigation conducted by the Department of Consumer Protection pursuant to said section, the ninety-day provisional permit shall cease immediately. Only one such permit shall be issued to any applicant and his backer, if any, for each location of the club or place of business which is to be operated under such permit and such permit shall be nonrenewable but may be extended due to delays not caused by the applicant. PROVISIONAL PERMIT

If you are applying for a liquor permit, please realize that the Department needs to investigate the submitted application and documents to ensure that the location and the applicant are suitable. In most instances, a final liquor permit may be issued by the Department between 60 to 90 days from the time it is filed with the Department.

If you are applying for a liquor permit, and you anticipate opening your business in less than the projected timeframe for review, you may wish to consider requesting a provisional liquor permit at the time that you file your application with the Department. You may file for a provisional permit at any point during the application investigation/review process by notifying your assigned agent, in writing, of the request for a provisional permit.

A provisional permit may be requested during the investigation and public notification of your application for liquor permit. The Liquor Commission has the discretion to grant or deny your provisional permit request. The fee shall be five hundred dollars ($500.00) after granting approval and upon issuance of this permit.

If approved, you will be required to make cash payment for alcoholic liquor on any delivery from a wholesaler or manufacturer. However, the Department has the discretion to waive this requirement and allow wholesalers to extend credit to you while operating under a provisional permit. If you decide to request a provisional permit and wish to request a C.O.D. payment, please attach a letter of such request when you submit your application for your liquor permit.

Your provisional permit is effective for 90 days, but may be extended by the Liquor Control Commission, as long as you did not cause the delay. As your expiration date of the provisional permit approaches, fax us a written request to extend the provisional permit, along with providing a copy of the provisional permit. Faxes may be sent to the Department at (860) 713-7235.

Below is the relevant statute and regulation.

**Sec. 30-35b. Ninety-day provisional permit.** A ninety-day provisional permit shall allow the retail sale of alcoholic liquor by any applicant and his backer, if any, who has made application for a liquor permit pursuant to section 30-39 and may be issued at the discretion of the Liquor Control Commission. If said applicant or his backer, if any, causes any delay in the investigation conducted by the Department of Consumer Protection pursuant to said section, the ninety-day provisional permit shall cease immediately. Only one such permit shall be issued to any applicant and his backer, if any, for each location of the club or place of business which is to be operated under such permit and such permit shall be nonrenewable but may be extended due to delays not caused by the applicant. The fee for such ninety-day permit shall be five hundred dollars.
