

## Continuing Education Providers for Electrical Licensees in 2022

All types of Electrical license holders must obtain continuing education hours of instruction to renew their respective license in license year 2022. Classes must be taken before renewal, as stated in Connecticut regulations.

This is a list of institutions that have been approved by the Connecticut Department of Consumer Protection to offer electrical courses in 2022. Each institution is responsible for informing students as to which specific course(s) have been approved for continuing education credit for licensure renewal.

*Continuing Education Providers:* If your school or institution is on this listing but is no longer participating in this program, please notify us immediately.
