Important Information about Medicaid/HUSKY/Title XIX
Updated June 2013

While not a requirement, it is advisable that an application for Supplemental Security Income (SSI) from the Social Security Administration be made prior to application for Medicaid (Title 19) from the Department of Social Services. Applying for SSI serves to document the disability for Medicaid (Title 19) and thus expedites the process. For information on how to apply for SSI, please call the Social Security Administration’s main line at 1-800-772-1213, or contact your local Social Security office located nearest to you. If you have access to a computer and the internet, you can visit the SSA Website at: http://www.ssa.gov/d&s1.htm for information on how to complete and application.

How does a person enroll in the HCBS Waiver?

In order to be able to enroll for Waiver services, individuals need to meet the following criteria:

- The applicant is eligible for DDS services under state law;
- The applicant has Title 19 (Medicaid), or is considered to be eligible for Medicaid.
- The applicant must need an ICF/MR level of care. That is, the person must have a level of need which would allow them to enter and institutional setting.
- The applicant must say they want to live in a community setting.
- The applicant must demonstrate a need for one or more of the services provided by the HCBS waiver.
- The applicant must to be deemed disabled by either SSA or DSS (W-300 & W-303 Med Packet) in order to be eligible for HUSKY C”.
- The applicant’s income and assets must be within the limits specified for the waiver. That is assets less than $1,600 and income and entitlements less than three times their SSI payment. Note: if a family believes that their son or daughter is ineligible due to assets, staff from the department’s Division of Legal and Government Affairs are available to review the particular financial circumstances and advise the family. It is only assets of the individual (over the age of 18), which are considered, not those of the family. (If assistance is needed from the Division of Legal and Governmental Affairs, please call 860-418-6085.)
