Operations Center Memo - 2016-11

To: Private Providers with a Purchase of Service Contract

From: Peter Mason, Operations Center Director

Cc: Commissioner Morna Murray, Deputy Commissioner Jordan Scheff, Regional Directors, Assistant Regional Directors of Private Services, Resource Administrators, Operations Center Staff, CT Community Nonprofit Alliance, ARC of CT

Date: May 27, 2016

Re: Extension of FY2017 Operational Report

The due date of the FY2017 Operational Report has been extended until June 24, 2016. The extension is due to the delay in the issuance of the Day Lon Transition breakdown. DDS anticipates that the Day Lon Transition information should be sent out to providers by June 7th.

Have a relaxing and reflective Memorial Day.
