

Swing Fore Camp Quinebaug

Dear Friends,

I'd like to take a moment to bring you back to your childhood. Close your eyes, and think of your summer breaks; swimming, fishing, exploring the great outdoors, playing sports and making fun memories with your best friends. Camp Quinebaug is that camp for all reasons, where children and young people with special needs can go and make their own memories since 1972.

Nestled amongst 25 acres of woodlands, today there are over 100 campers each summer that come and enjoy swimming, boating, music, arts and crafts, sports, and nature without any financial burden. While at camp, campers are amongst their peers where fun, creativity, and making new friends is encouraged.

In 1994 the camp was in danger of being closed due to significant reduction of funding from the state. So a group of parents and professionals created Friends of Camp Quinebaug to ensure continued operation of this beautiful resource. On Friday, June 12th 2015, you will have the opportunity to help insure the future of Camp Quinebaug for our campers. Join the Friends of Camp Quinebaug for a good hearted day of golf, food, and prizes. The event will be held at Connecticut National Golf Club in Putnam, Connecticut. All proceeds will benefit Camp Quinebaug to fund summer camp staffing and programming which holds a special place in the hearts of our campers.

Please find attached sponsorship, donation and player form that outline your potential opportunity to part of a great day. Thank you in advance for your generous support and we look forward to seeing you on the course!

All the Best,

Friends of Camp Quinebaug
