

## **Disability Awareness Fair – October 14, 2022**

What a wonderful opportunity to spread the word and the work that we do as Self Advocate Coordinators and Transition Advisors. The turnout was terrific! We had over 350 people attend the Disability Resource Fair held at the New Britain Senior Center in recognition of Disability Employment Awareness Month.

**Kevin Arce, Self-Advocate Coordinator; Sandi Geer, Self-Determination Coordinator/Supervisor; Trevor Rogers, Transition Advisor; Brian Gresko, Transition Advisor**

**Jill Larmett, Disability Resource Coordinator, Capital Workforce Partners and John S. DiPace, Certified ASL Interpreter**
