Information provided by the provider describing their agency:

Staffed Programs: Residential Resources has the ability to provide 24 hour staffed-supports to 1-3 people in a home setting. The services provided in these types of programs solely depends on the circumstances of the people supported in that home. Shared Living: This unique service design matches qualified and compassionate home providers with people seeking to live a more family-integrated lifestyle.

Self-Directed Services: People (or involved family) receiving services in the NH developmental service system are now able to manage and design what services they wish to receive.

Community Participation Services (CPS): Residential Resources provides a wide range of Community Participation Services (CPS) that focus on meeting the needs of the person served.
