All Pointe Care, LLC offers a wide range of programs and services to adults and children with varying levels of disabilities, mental health conditions, behavioral concerns, and other special needs. Our Support Staff focus on developing the individual's social skills and establishing their independence through the use of behavioral and therapeutic consultation. Day Support: In our Day Support program, our main focus is to help our individual find and maintain employment. We prepare the individual for work and/ or community participation, support meaningful socialization, leisure, and retirement activities as well.

Home Support: Our focus in our Home Support program is to implement strategies to address behavioral, medical, or other needs identified in the individual's plan. This includes assisting in mobility or travel training. We also provide training in basic consumer skills such as shopping or banking as well as assisting with all personal care activities.

Behavioral and Therapeutic Consultations: We focus on the development of our individuals by helping them find solutions that work specifically for them. We meet with the individual and their families to develop an individual plan with the goal to increase all positive behaviors. We also train the families and Support Staff on the plan, oversee plan implementation, and conduct ongoing evaluations.

Job Coach/ Supported Employment: In this program, a staff member goes to work with the individual and provides training and support while gradually reducing time and assistance at the work site.

Life Skills Coach: We provide training in day-to-day activities, preparing the individual to live independently by providing training in basic consumer skills such as banking, budgeting, and shopping.
