Provider Description

Information provided by the provider describing their agency:

Almost Home Adult Daycare, LLC was created in November 2004 after Almost Family Adult Daycare ceased operation. While many of our members are frail elderly, many older developmentally disabled persons find the caring active environment and creative staff fit their socialization needs perfectly. Our goal is to keep our members active in both body and mind. As a result the expectation is that they will remain active in the community and not need institutionalization prematurely. Our RN supervises staff that assist our members with toileting. The RN also administers medicines, oversees activity appropriateness, monitors dietary needs and restrictions, and watches out for signs of medical problems.
