Provider Description

Information provided by the provider describing their agency:

We are committed to professional integrity and hold our employees in highest regards of standards of practice and overall competencies. Upon hiring, and throughout employment, employees are extensively screened through various background checks to ensure the safety of our clients. Observational and hands on training are provided throughout employment. In addition, employees receive ongoing clinical supervision from licensed staff and supervisors as well as monthly training on pertinent topics related to their work.

Neil is owner and founder of Behavioral Management. He has 17 years of mental health experience working with adults,, adolescents and children. He is trained in Cognitive Behavioral Therapy and co-author of the “Tool Box Approach”. Neil has done many public speaking engagements on parenting skills and managing escalating behaviors.

Neil has served on the Board for Families United both as and member and President. He also served on the Children’s Behavioral Health Advisory Committee. He has been married for 17 years with three biological children. He and his wife have been foster parents for the last 6 years providing a loving home to dozens of children in need.

Behavioral Management has been recognized by Families United for Children’s Mental Health as an agency devoted to family driven values, practices & beliefs.

Behavioral Management can offer workshops and seminars for providers and caregivers designed to meet specific needs. For more information about what topics and seminars are currently offered call our main number or visit our website.
