Provider Description

Information provided by the provider describing their agency:

Alliance HealthCare Solutions bases our business on one statement “To Live with Purpose” and this is what our goal is to provide to every consumer our company services. No matter what degree of challenges our consumers face, Alliance takes pride in recognizing them, researching and understanding them and coming up with an obtainable plan to meet and redirect those challenges, so that every consumer has the fighting chance of having the best quality of life. We don’t look at disabilities or misfortunes in a discouraging matter; we look at it as the foundation that we need to build from. We welcome every consumer not only into our organization, but into our Alliance family and into our hearts. We take each step forward hand and hand with our consumers and pick them up and dust them off when they stumble backwards. We care for each consumer as if they were the only one whose needs existed.

Alliance is a Connecticut based company that focuses on our neighbors, our friends, our colleagues, our consumers and other Connecticut businesses. Not only does Alliance focus on consumers, but Alliance also likes to see all our employees excel in each area of Direct Care. All trainings, resources, knowledge and an open door policy are provided to make this a rewarding place of employment. This is why it is so easy for us to match qualified staff with a consumer and their needs. Each one of us deals with obstacles and disabilities with in our own families and our community on a daily basis, and we see the cruel side society can possess and because of that, we thrive harder. We know the only way to achieve successful outcomes is to have a satisfied and stable team, who doesn’t look at being assigned to a shift as a job, but as a life learning experience and exuberates that to consumers, is where Alliance has proven our philosophy.

So when you are looking for something more, a place to have a career with meaning, a company who will go to the limits filling your needs to a new home for your child or family member where each day is instilled to Live with a Purpose, it’s without a doubt that Alliance is the company of choice.
