### Provider Description

#### Information provided by the provider describing their agency:

Journey Found, Inc. is dedicated to empowering adults with intellectual and developmental disabilities through a comprehensive array of person-centered services. With a strong commitment to individualized care, Journey Found offers a range of residential support options that promote independence and community integration.

Our residential support model provides 24-hour care in a structured environment for individuals who require a higher level of assistance. Several locations are equipped with technological enhancements that support greater independence while still ensuring 24-hour care is available when needed.

In contrast, supportive housing and in-home supports are designed for individuals who thrive in a highly independent model, offering flexible, personalized assistance that enables them to live as autonomously as possible within their communities.

Journey Found also provides individualized day services that foster personal growth, skill development, and meaningful engagement in the community. In addition, their behavioral support services are tailored to meet the unique needs of each individual, ensuring compassionate and effective care.

Rooted in dignity, respect, and inclusion, Journey Found helps individuals become all they are capable of being while living fulfilling, self-directed lives.
