We operate a Cooperative Apartment program in the Webster Area for individuals living in their own apartments in the community and 16-24 hour residential group residences throughout Worcester County, MA. Our Day Habilitation program provides Nursing, Speech, Occupational and Physical Therapy services based upon the individual’s needs. Individual and group educational opportunities, socialization and community activities are also part of the Day Program supports. Life-Skills utilizes community businesses for individual placements as well as group opportunities. Individuals work full or part-time and are on the company’s payroll. Life-Skills operates a small vending business, a courier service, a Consignment Store, a Thrift Store, and a Greenhouse. These venues allow us to provide individuals with the opportunity to build solid and productive work habits and skills. Individuals working in our venues all earn minimum wage.
