Provider Description

Information provided by the provider describing their agency:

Mosaic in Connecticut is a whole-person healthcare organization providing a wide range of services designed for people with intellectual and developmental disabilities, mental and behavioral health needs and autism through residential, day and in home supports.

Residential Services includes home-like structured support, evaluation, independent living and social/recreational skills designated by an Individual Support Plan (ISP). Supported intermittent services designed to maintain and increase independent living skills for individuals living in their own apartments. Individualized supports include assistance with banking, grocery shopping, medical appointments and accessing community, employment and volunteering. Community Companion Homes partner individuals with diverse needs with families in our communities. A focused day program serves Wallingford and surrounding areas.

Whether intermittent or 24/7 support, at Mosaic, we're passionate about services and partnerships that create meaningful lives in caring communities, giving a voice to people's needs. Mosaic's values: belonging, connection, faithfulness and grit are at the heart of our service; our direct support professionals, systems and processes ensure our individuals have access to quality care and a meaningful life. Nationally, Mosaic serves more than 5,200 people in 13 states and 750 communities.

Mosaic in CT, by the numbers:

- 470 staff members
- 220+ supported individuals
- 31 community living arrangements
- 7 continuous residential support programs
- 17 community companion homes
- 16 In Home Support programs
- 22 individuals in day program
- 10 individuals assisted In Home through an Autism program

Serving greater Hartford, Middlesex, New Haven, New London, Tolland, Windham Counties.

Mosaic of Connecticut provides individualized services, living options, work choices, spiritual nurture and advocacy to people with disabilities in more than 17 communities across the state.

Mosaic is recognized as a quality leader in the development and delivery of innovative programs and services for people with disabilities. Mosaic's mission states: In partnership with people who have disabilities, Mosaic provides supports and advocates that all may realize God's gift of wholeness of life.

Here in Connecticut we are currently providing services to clients in 17 towns serving over 100 individuals. Mosaic offers a diverse range of programs and services designed to meet each person's individual needs and provide them with various opportunities and choices. We offer Residential Services providing home-like structured support, evaluation, and training, independent living and social/recreational skills as designated by an Individual Program Plan (IPP). Mosaic homes are located in residential neighborhoods. Supported Residential Service Program is which offers intermittent services to maintain or increase independent living skills. For individuals who live in their own apartments, Mosaic staff provide individualized supports including assistance with banking, grocery shopping, medical appointments and accessing their communities. Mosaic strives to help those we support to reach their
