

Connecticut Innovation Corridor Grant Program

Application Frequently Asked Questions (FAQ)

Last Updated: 11/9/2021

1. Can two or more municipalities apply for this grant in partnership?

Yes, two or more municipalities can apply in partnership. Please note that the spatial layout of the proposed project is considered in the application. As the application criteria states, “While the Project site need not be contiguous, preference will be given to Projects which constitute a ‘campus’ configuration within one municipality or cluster or towns/cities.” You can find more relevant information here: https://portal.ct.gov/-/media/DECD/Business-Development/05_Funding_Opportunities/FINAL---Innovation-Corridor---NOFA.pdf

2. Section VI of the application requires a signed copy “of the Municipal Certification of Eligibility for Discretionary State Funding.” Can you please provide the form that is required?

The form can be found [here](https://portal.ct.gov/-/media/DECD/Community-Development/03_Funding_Opportunities/municipalcertificationofeligibilityfordiscretionarystatefundingCCC--IC.docx) (https://portal.ct.gov/-/media/DECD/Community-Development/03_Funding_Opportunities/municipalcertificationofeligibilityfordiscretionarystatefundingCCC--IC.docx). The Grant Webpage has also been updated to include the form.

3. I have another question that was not answered above and is not answered on the grant program’s website. Where can I have my question answered?

Please send any other questions to InnovationCorridor@ct.gov. We will update this document periodically with answers to questions we receive.
