

NEW: Policy changes to certain Survey and Planning Grants for the preparation of architectural plans and specifications.

If you have a completed, SHPO-funded and approved condition assessment and plan to apply to the Historic Restoration Fund Grant program, you may be eligible for a non-matching Survey and Planning Grant to continue working with your architect to prepare Construction/Bid level documents to support an HRF application.

**Eligible Grantees:** 501 c 3 non-profits and municipalities. *The applicant must have completed a SHPO-funded and approved condition assessment with a consultant selected through a competitive bid process.*

Applicants who self-funded a condition assessment but can show that they selected their consultant through a competitive process can also apply.

Minimum/Maximum grants of \$20,000-50,000

**Funding Source:** Community Investment Act 4-66-aa

**Please use the standard Survey and Planning Grant application but contact Mary Dunne [mary.dunne@ct.gov](mailto:mary.dunne@ct.gov) to discuss the application first.**
