SAMPLE AUDIT AGREEMENT

1. This Agreement, between ______________________ (the Organization) and ______________________ (the Contractor), shall be effective as of the date of execution below.

2. The Contractor will audit the financial records, accounts and statements of (the Organization) as of ________________ and for the year ended ______________. All programs to be audited are as contained in Exhibit A, which is attached to and is a part of this contract.

3. The audit will be conducted in accordance with generally accepted auditing standards; the standards for financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States; and the Audit Guide for Audits of DECD Programs ("DECD Audit Guide"). In addition, if applicable, the audit will be conducted in accordance with the State Single Audit Act (CGS 4-230 to 4-236) and/or the Federal Single Audit Act, Office of Management and Budget (OMB) Circular A-133.

4. The audit will include tests of the accounting records and such other audit procedures as necessary to express an independent opinion on the financial statements and Reports on Compliance with Laws and Regulations and the Internal Control Structure.

5. The Contractor will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. Under the concept of reasonable assurance, the Contractor will exercise its judgement about the number of transactions to be examined and the areas to be tested. There is, therefore, a risk that material errors, irregularities or illegal acts, including fraud or defalcations, may exist and not be detected. The Contractor will, however, advise immediately the DECD of any such matters that come to its attention. The Contractor’s responsibility is limited to the period covered by the audit and does not extend to matters that might arise during any later periods.

6. The Contractor, as part of the engagement, will request written representations from (the Organization) attorneys. Prior to the conclusion of the audit, the Contractor will also request certain written representations from (the Organization) management about the financial statements and related matters. It is understood that these financial statements are the responsibility of management. This responsibility includes the maintenance of adequate records and related internal control structure policies and procedures, the selection and application of accounting principles, and the safeguarding of assets. The Contractor will advise management about the appropriate accounting principles and their application, and will assist in the preparation of the financial statements, if necessary.

7. The Contractor understands that it has the responsibility:
   a. to prepare the audit reports in accordance with the requirements of Government Auditing Standards, the DECD Audit Guide (and the State Single Audit Act (CGS 4-230 to 4-236) and/or the Federal Single Audit Act (OMB Circular A-133) as applicable); and
   b. to notify DECD within five (5) business days of its termination or cessation of services to the (organization).

8. If the Contractor ascertains that the (organization’s) books and records are not in a sufficiently satisfactory condition for performing an audit, the Contractor shall disclose this
deficiency to the (organization). If the (organization) cannot get its books ready for an audit within 15 days, then the Contractor should notify the DECD. Notification to the DECD shall be by written communication addressed to the Executive Director, DECD Audit Division, 505 Hudson Street, Hartford, Connecticut 06106. The Contractor shall await further instructions from the DECD before continuing the audit.

9. Entrance and exit conferences will be held with the (the Organization) management, and the Contractor’ representatives.

10. (The Organization) management responses to draft audit reports will be delivered to the Contractor for inclusion in the final reports, where practical.

11. The contractor will deliver to the (the Organization):

c. If a State single audit and/or Federal Single Audit is required, copies of the report must be distributed to the agencies as indicated in the respective laws and regulations within the time frames imposed by such Acts.

12. In consideration for the satisfactory performance of the audit, the Contractor will receive $___________, paid as follows:________________________________________________________

13. The Contractor will immediately notify the (Organization) of any significant and/or reportable conditions noted during the course of the audit.

14. Audit working papers will be prepared in accordance with Government Auditing Standards, and will be retained by the Contractor for at least three (3) years from the date of the final audit report. The working papers will be available for examination upon request by authorized representatives of DECD, (and the Comptroller General of the United States and the State of Connecticut Office of Policy and Management if a Federal and/or State Single Audit are performed). The audit working papers will be subject to a Quality Assurance Review conducted by the DECD or its representative. DECD or its representatives shall be entitled to reproduce any or all of such documents at their expense for which provision shall be made at the time the need for reproduction arise.

15. The certifications numbered A through H are incorporated by reference and made a part of this Agreement.

16. In the event that there is a significant change in funding from the DECD and/or a change in the legal or regulatory requirements applicable to this audit, (the Organization) shall be allowed either to:

1) withdraw from this engagement after paying in full for any and all services rendered by (the Contractor) prior to the date of withdrawal; or 2) seek, without penalty, a negotiated modification of this agreement which would result in the satisfaction of the new legal requirements through the services to be performed under the modified agreement.

17. The (Organization) may, at its option and through affirmative action, extend this Agreement for the two (2) option periods covering FYXX and FYXX. (The Organization) decision on whether or not to exercise the option will be made separately for each of the option years and
will be predicated upon the quality of performance during the prior contract period(s), the degree of the Contractor’s compliance with the contract schedule for deliverables, the availability of funds or other justifying reasons. The contracts for the option years will be governed by the terms of this Agreement, except that due dates will be updated and the Contractor will be paid the following amounts for each of the two option periods.

Option Period 1 (__________, FYXX) $__________  
Option Period 2 (__________, FYXX) $__________

18. 19. The Contractor will give an oral presentation of its audit report to the Board of Directors.

20. If circumstances arise that will require additional services and time by the Contractor, the Contractor will notify the (Organization) and obtain its agreement prior to undertaking such activities. The hourly fee for such agreed to services will be $____.

21. The terms of this Agreement may be modified only in writing, signed by duly authorized representatives of the parties.

22. If the parties are unable to resolve a dispute regarding the acceptability of deliverables under this agreement, the dispute will be submitted to the American Arbitration Association for resolution through binding arbitration.

23. This Agreement, which includes the matter specifically incorporated by reference, constitutes the entire agreement between the parties.

24. This Agreement has been made, and shall be construed, in accordance with the laws of the State of Connecticut.
