

Directions on How to Obtain a Conservation ID Number

Please note: If you have a Connecticut Hunting or Fishing License, your Conservation ID Number will be the same ID Number that was assigned with the Hunting or Fishing license.

- Go to the Online Sportsmen Licensing System
<https://ct.aspirafocus.com/internetsales>
- Go to the “New Customer” Tab and Select “Create an Account”

- Enter your Last Name, First Name and Date of Birth. Select “202X (Season)” in the drop down and then Select “Continue”
- Complete all the fields for Personal Information, Residence Address, Mailing Address, and Contact Information and then Select “Submit”
- After entering your information, the system will assign you a new Conservation ID Number.

You will need to provide this Conservation ID Number to the Instructor prior to the class.
