

# Welcome to boating in Connecticut!

The map with local ordinances, state boat launches, pumpout facilities, and Boating Infrastructure Grant funded transient facilities is back again. New this year is an alphabetical list of state boat launches located on Connecticut lakes, ponds, and rivers listed by the waterbody name. If you're exploring a familiar waterbody or starting a new adventure, be sure to have the proper safety equipment by checking the list on page 32 or requesting a Vessel Safety Check by boating staff (see page 14 for additional information).

# LOCAL REGULATIONS, BOAT LAUNCHES & PUMPOUT INFORMATION

**R**egulations are in force throughout the year, unless otherwise noted. Regulatory markers may be placed seasonally by the DEEP and private parties as a reminder, however the regulations are in effect regardless. The following pages contain state regulations, laws and local ordinances affecting boating.

Operate your vessel in a manner so as not to interfere with any other vessels, structures or people. Always have due regard for conditions and circumstances such as weather, current, visibility, water depth, width of channel, proximity to shore, water hazards, vessel traffic and water use.

## Prohibited Activities at Boat Launches

### Sec. 26-16-1 of the Regulations of Connecticut State Agencies:

At any boating access area which is under the control of the Department of Energy & Environmental Protection and is intended to provide public access, or parking related to such access to streams, lakes, ponds or tidal waters, including Long Island Sound, the following regulations shall apply:

- a. No person shall discard any fish or portion thereof.
- b. No person shall dispose of any litter, as defined in Section 22a-248 of the Connecticut General Statutes, except into a receptacle provided for such purpose, and no person shall dispose at such facility of any litter not generated at such access area.
- c. No person shall wash or clean any vehicle except a boat trailer. A vessel or boat trailer may be cleaned only with plain water. No person shall use any detergent or chemical agent to clean a vessel or boat trailer.
- d. No person shall park a vehicle except in an area designated by the Commissioner for parking.
- e. No person shall kindle a fire.
- f. No person shall engage in camping.
- g. No person shall engage in disorderly conduct.
- h. No person shall damage any building, equipment, poster or vegetation.
- i. No person shall use any such facility for purposes other than:
  1. fishing, where permitted;
  2. parking where permitted for the purpose of fishing, boating, hunting, or observing wildlife;
  3. launching of boats or;
  4. the observation of wildlife from constructed observation decks.
- j. No person shall use any such facility for any purpose when it is posted closed by the Commissioner.
- k. No person shall tie up, moor or anchor a vessel in a manner that may obstruct or interfere with the launching of any other vessel except when actively launching or retrieving a vessel.
- l. No person shall leave any vessel unattended in the water or on land, or tied to any state dock or pier.
- m. No person shall moor or anchor a vessel or leave a vessel on land at any such facility.
- n. No person shall engage in any commercial activity at such facility unless so authorized by the DEEP.
- o. No person shall erect or post any notice or sign unless authorized in writing by the Commissioner.
- p. No person shall consume any alcoholic liquor. "Alcoholic liquor,"

as used in this subsection, shall have the same definition as in section 30-1 of the Connecticut General Statutes.

q. No person shall engage in sport fishing from the courtesy docks or from the ramp surface when said sport fishing interferes with boating activities. "Courtesy docks" means, in this subsection, floating or non-floating platforms that are located adjacent to a launch ramp for use by boaters to facilitate the loading or unloading of boats.

r. No person shall engage in bathing, swimming, snorkeling or SCUBA diving.

s. Dogs must be on a leash no longer than seven feet and under the control of their owner or keeper. The person responsible for the dog must hold the leash at all times. The provisions of this subsection shall not apply to the proper use of dogs while in the act of hunting, however, all dogs may be prohibited on any area or during any time period when so posted by the Department.

## Pumpout Facilities

The Federal Clean Vessel Act directs excise tax dollars, collected on fishing tackle and motorboat fuel, to construct, operate and maintain pumpout stations. All CT CVA funded pumpouts and dump stations available to recreational boating public are FREE.

To find a land based pumpout facility or pumpout boat near you, see the map on page 44-45 or visit [www.ct.gov/deep/pumpoutdirectory](http://www.ct.gov/deep/pumpoutdirectory).

## Facilities for Transient Boaters

Finding a place to dock for up to 15 days/nights in coastal Connecticut has gotten easier! The Department of Energy & Environmental Protection (DEEP), through US Fish and Wildlife Service's Boating Infrastructure Grant (BIG) Program, is providing grants to municipalities and private facility owners for transient tie-up opportunities for recreational boats 26 feet and larger. Congress created this program recognizing that infrastructure for large boats was not being addressed with funds generated by Federal excise tax on fishing equipment, trolling motors, import duties on boats and motorboat fuels. The tax from motorboat fuels is a significant portion of the funds collected under the Sport Fish Restoration and Boating Trust Fund and is now available to transient boaters under this user pay-user benefit program. Ten projects are complete and can be found on the map on pages 34 and 35 of this guide and in the list of facilities showing the icon for "Facilities for Transient Boaters" or FTB. More information on each facility can be viewed on DEEP's interactive BIG Facility Map at [www.ct.gov/deep/transientboaterfacilities](http://www.ct.gov/deep/transientboaterfacilities). Zoom in to each site location and open the pop-up screen by clicking on the red star. To obtain more information, enlarge the screen for photographs and amenities offered. One project is in the construction phase. Contact us at 860-434-8638 or email us at [deep.boating@ct.gov](mailto:deep.boating@ct.gov) for program information.

# LOCAL REGULATIONS, BOAT LAUNCHES & PUMPOUT INFORMATION

## Local Regulations, Public Boat Launches, and Pumpout Information

- Floating docks, where provided, will be installed no later than April 15 and the removal process will begin no earlier than November 15, weather conditions and water levels permitting.
- Unless otherwise noted, the boat launches are open 24 hours a day, seven days a week. Boat launch photos and additional information is available at <https://portal.ct.gov/DEEP/Boating/Boat-Launches/Boat-Lauches-in-Connecticut>

- When a state boat launch parking lot is full, the launch is closed and the additional launching/

retrieval of vessels may not be allowed.

- Respect local and state regulations and ordinances regarding vessel speeds and safety requirements.
- Vehicle speed in boat launches is 10MPH.
- Unless posted; parking spaces are for car w/trailers, or cars but only if single car spaces are full. Groups should park multiple cars in trailered spaces.
- Operating powerboats on water bodies with horsepower restrictions. To comply with the requirements of any statute, regulation or ordinance restricting the horsepower or size of the engine on any vessel while being operated

on an inland body of water, a person may (1) in the case of an outboard motor, remove the propeller from the boat's engine and incline the engine out of the water so that the absence of the propeller is clearly visible, or (2) in the case of an inboard motor, remove the propeller from the boat's engine and incline or trim the engine to an upright position. This section shall not be construed to allow vessels with the gasoline-powered engines on bodies of water where such engines are not allowed. (Sec. 15-136a. Compliance with certain engine size requirements.)

- Most state boat launches are not plowed.
