

Approved Prices for Connecticut DEEP-approved Covered Electronic Recyclers (“CERs”)

The DEEP-approved CERs are authorized to bill manufacturers at the rates indicated below for CEDs collected on or after **July 1, 2021**. The recycling fee is for eligible costs related to the transportation and recycling of covered electronic devices. The separation fee is for devices set aside at the request of a manufacturer. All manufacturers have the right to request that their branded products be set aside for transportation to a recycler of their choice. The regulations also allow CERs and manufacturers to enter into agreements that may vary the per pound price approved by the commissioner.

Recycler	Approved Recycling Fee (per pound)	Approved Separation Fee (per pound)
Ecovanta, LLC	39 cents	30 cents
Electronic Recyclers International – Mass. Inc.	39 cents	30 cents
Newtech Recycling Inc.	42 cents	36 cents
Take 2 Inc.	41.5 cents	33.5 cents

Note: Prices effective July 1, 2021 through June 30, 2022.
