## Part VI: Private Collection Programs

- Check here, if you are planning to conduct a private collection program for the first time. The supporting documents and information outlined in the text box below must be submitted as an attachment to this registration.
- Check here, if you have already established a private collection program. Do not resubmit the documentation listed in the text box below, although you must complete and submit Attachment A to this registration each year.

- A detailed description of how the activities performed under the program are in compliance with the requirements of the [Connecticut General Statutes \("CGS"\) Chapter 446n](#) and the [Regulations of Connecticut State Agencies \("RCSA"\) section 22a-638-1\(b\)\(3\)](#).
- A detailed description of the process flow regarding the recycling of CEDs, that includes the following:
  - The processes and methods that will be used to recycle recovered CEDs, including a description of the disassembly and physical recovery operation such as crushing, shredding, grinding, glass-to-glass recycling or other operations that will be used. Such description shall begin at the point in which possession of the CEDs is taken until the CEDs are processed into raw materials or products and the residue from the recycling of CEDs is disposed of.
  - Description of the methods that will be used to collect the CEDs, including, but not limited to, the name and locations of all collection and consolidation points.
  - A description of the means that will be utilized to publicize the collection opportunities.
- Information, pursuant to CGS section 22a-6m, that the program is in compliance with environmental protection laws of Connecticut, all other states, the federal government and in addition, the environmental protection laws of any of country. This shall include information regarding the manufacturer and all persons proposed to be or used including the transporters and recycling, storage or disposal facilities.
- A list of all transporters, storage facilities, recycling facilities and disposal facilities, including addresses, to be utilized under the program. If multiple transporters or facilities are to be utilized for the same activity, describe the circumstances in which each will be used. For each transporter, storage facility, recycling facility and disposal facility provide the following:
  - A description of the transportation storage, dismantling and processing capacity.
  - A list of all applicable permits, licenses and approvals, if any, issued by a state or federal government or any other country that are required and have or will be obtained to authorize the activities undertaken in the program.
  - A description of the environmentally preferred practices, if any, that will be used in implementing the program.
  - For each recycling and disposal facility:
    - A certification signed by the responsible official from such facility in accordance with the requirements of RCSA section 22a-638-1(b)(3)(G)(iv).
    - A list of plans in effect at the facility to ensure worker safety, emergency preparedness and prevention in accordance with requirements of RCSA section 22a-638-1(b)(3)(G)(v).
    - Evidence that the insurance required under RCSA section 22a-638-1(e)(6), if applicable.
    - Evidence that financial assurance or other guarantee required under RCSA section 22a-638-1(e)(7), if applicable.
  - Documentation of audits for each processor used in the program is in compliance with the processing standards established in [CGS section 22a-632](#).
  - The total weight of CEDs collected, transported and recycled the previous year under the program.
- For CEDs to be reused or refurbished, a description of how the CEDs will be reused or refurbished and how the program will comply with the requirements of RCSA section 22a-638-1. Such description shall include information regarding: the pre-screening of CEDs; erasure or destruction of data; labeling, packing storing, and transporting CEDs; ensuring that the CEDs meet legitimate reuse and refurbishment specifications; and the disposition of off-specification CEDs or CEDs that may break in-transit.
- The following certification statement: "I certify that all CEDs in the private program will be recycled or reused or refurbished in accordance with Chapter 446n of the Connecticut General Statutes and section 22a-638-1 of the [Regulations of Connecticut State Agencies](#)."
