LWRD License Application Form M

General Permit Request for Authorization, Water Resources Construction Activities (Activities 1-4)

Check Application Type(s):

- (1) Drainage Maintenance
- (2) Trail Maintenance
- (3) Boat Launch Maintenance
- (4) Beach Maintenance for Inland Beaches

All sections of the LWRD License Application, when applicable, must be posted to the DEEP LWRD FTP site as instructed on Part VII of the LWRD Transmittal Form. See [LWRD Application Instructions](#) for general guidance.

Application Number (as assigned in CPPU e-mail): _____

Applicant Name (same name used on Part III of the LWRD Transmittal Form): _____

Part I: Project Information

1. LICENSE HISTORY

Indicate the number and date of issuance of any previous state permits or certificates issued by DEEP which authorized the proposed activities, and the names to whom they were issued.

<i>License/Permit/COP Authorization Number</i>	<i>Date Issued</i>	<i>Name of Permittee/ Certificate Holder</i>	<i>Brief Description of Work Authorized</i>
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

2. PROJECT DESCRIPTION

Provide a maintenance plan, as Attachment 43, which includes the following:

- a. location of facilities;
- b. detailed maintenance activities to be carried out;
- c. description of typical design specifications and plans;
- d. estimates of the quantities of material to be placed or removed in connection with such maintenance activities;
- e. procedures for disposal of excess material and solid waste generated in connection with such maintenance activities, and
- f. the best management practices to be implemented while conducting such maintenance activities, including measures to ensure fish passage and minimize damage to habitat for fish, wildlife, or stream invertebrates.

Part I: Project Information (continued)

3. COORDINATION FOR FISH AND WILDLIFE RESOURCES

For individual sites within Natural Diversity Data Base areas and for work occurring within 150 linear feet of perennial streams, there will need to be coordination with Wildlife Division and Fisheries Division staff. Explain how this coordination will occur.

Part II: General Permit (GP) Eligibility

Confirm GP eligibility by checking the applicable box(es) in the checklist below.

Not Applicable	Confirm	Eligibility Requirements
<input type="checkbox"/>	<input type="checkbox"/>	<p>(1) Drainage Maintenance includes:</p> <ul style="list-style-type: none"> a. excavation of accumulated sediment or removal of brush or debris from an area not greater than 50' in length from the inlet and outlet sides of a drainage pipe, culvert or bridge; b. cleaning or reshaping a man-made drainage way or sediment basin; c. installation or repair of the endwall of a culvert or bridge; d. repair of erosion damage; e. repair of a drainage pipe, culvert, or bridge; and f. replacement of a culvert or bridge which receives drainage from a watershed of one square mile or less. <p>Does NOT include more than 50 cubic yards of fill placed into any wetland or watercourses.</p>
<input type="checkbox"/>	<input type="checkbox"/>	<p>(2) Trail Maintenance includes:</p> <ul style="list-style-type: none"> a. repair or replacement of existing nature access structures; b. repair or replacement of footings, foundations, piers, structural piles, posts or supports for a boardwalk; c. grading and placement of fill for the installation of landscape timbers and/or stone walls; and d. placement or removal of fill for the maintenance of an existing path or trail.
<input type="checkbox"/>	<input type="checkbox"/>	<p>(3) Boat Launch Maintenance includes:</p> <ul style="list-style-type: none"> a. repair or in-kind replacement of existing boat launch ramps; b. removal of accumulated sediment; c. filling of in-water scour holes caused by power loading or other disturbance; and d. repair or in-kind replacement to docks, pilings, and associated structures.
<input type="checkbox"/>	<input type="checkbox"/>	<p>(4) Beach Maintenance for Inland Beaches includes:</p> <ul style="list-style-type: none"> a. re-grading existing beaches; and b. replacement of sand on existing beaches to fill sink hole or eroded areas. <p>Does NOT include expansion of any beach area beyond existing limits.</p>

Part III: Project Plans

Provide plans, Attachment 14, detailing the activities proposed. Use the [Project Plan Checklist](#) for requirements.
