***FINAL DECISION***

This matter concerns an application filed by Iroquois Pipeline Operating Company for a New Source Review permit to construct and operate a simple-cycle, natural gas-fueled combustion turbine in Brookfield. Following a hearing on the application, the parties submitted an Agreed Draft Decision for the consideration of the Hearing Officer.

I concur with the Hearing Officer's decision to adopt the parties' Agreed Draft Decision as her Proposed Final Decision. I therefore adopt the Proposed Final Decision as my Final Decision and authorize issuance of the revised draft permit, attached to the Agreed Draft Decision as Exhibit A.
