CHARGING. An essential element of Destination Electric is the charging infrastructure. Please help us evaluate the available infrastructure in your town. Check all that apply.

- Level 2 or Fast Chargers
- More than one in downtown area
- Located at convenient locations for travelers
- Located in visible locations (ie street parking)
- In public parking garages
- Tesla only
- Accessible to business patrons only
- Along major highways

MESSAGING: EVENTS. Destination Electric Campaign is positioned to help amplify your events and other electric vehicle efforts. We can help promote your existing activities. Please help us understand your specific needs below.
