Disclaimers & Notes

You must apply for your eBike voucher through the eBike Incentive Program platform prior to making your eBike purchase.

Data on this list is compiled from manufacturers' data. All prices, technical data points and features and figures may vary based on model year, class, and other related information. Please visit the specific manufacturer websites or ask your Participating eBike Retailer for the latest information about each eBike.

- ¹Eligible eBike must meet the following criteria:
 - MSRP less than \$3,000 (Manufacturer Suggested Retail Price)
 - 1 year warranty for frame and components
 - Active UL 2849 or EN 15194 for battery and electrical components.

Standard Voucher: \$500

Any Connecticut resident, 18 years or older, can apply for and redeem a Standard Voucher at a participating eBike retailer. For additional information visit www.DriveCHEAPR.org/ebikes.

Vouchers: Standard Voucher + \$1,000 = \$1,500 Total

Voucher is available to Connecticut residents that meet any of the following criteria: reside in an Environmental Justice (EJ) community or Distressed Municipality, participate in a state or federal income qualifying program, or have an income less than 300% of the Federal Poverty Level (FPL). For additional information visit www.DriveCHEAPR.org/ebikes.

- ²Class 1: an electric bicycle equipped with a motor that engages only when the rider operates the electric bicycle's foot pedals, and that ceases to engage when the electric bicycle reaches the speed of twenty (20) miles per hour.
- Class 2: an electric bicycle equipped with a motor that may be used exclusively to propel the electric bicycle, and that ceases to engage when the electric bicycle reaches the speed of twenty (20) miles per hour.
- Class 3: an electric bicycle equipped with a motor that engages only when the rider operates the electric bicycle's foot pedals, and that ceases to engage when the electric bicycle reaches the speed of twenty-eight (28) miles per hour.
