SUBJECT: Local Noise Control Ordinance  
Enfield, Connecticut

Dear Mr. Bromson:

Thank you for your letter of May 10, 2001 regarding the Noise Control Ordinance for the Town of Enfield.

Based on review of the ordinance (copy attached) my staff has determined that the ordinance conforms to state noise control standards. The Commissioner of Environmental Protection has delegated the authority (with respect to Connecticut General Statutes Chapters 446a and 446c) to approve local noise ordinances to the Chief of the Bureau of Air Management. Therefore, pursuant to Connecticut General Statutes Section 22a-73(c), I approve Enfield's Noise Control Ordinance as adopted by the Town Council for the Town of Enfield on May 7, 2001.

If you have any questions regarding this matter, please contact Mr. Joseph Foutz, P.E. at 860-424-3027.

Sincerely,

A handwritten signature in black ink that reads "Carmine DiBattista".

Carmine DiBattista, Chief  
Bureau of Air Management
