SUBJECT: Local Noise Control Ordinance
Hamden, Connecticut

Dear Ms. Borges King:

Thank you for your letter of December 11, 2000 requesting approval of Hamden's Noise Control Ordinance.

Based on review of the ordinance (copy attached) it has been determined that the ordinance conforms with state noise control standards. The Commissioner of Environmental Protection has delegated the authority (with respect to Connecticut General Statutes Chapters 446a and 446c) to approve local noise ordinances to the Chief of the Bureau of Air Management. Therefore, pursuant to Connecticut General Statutes Section 22a-73(c), I approve Hamden's Noise Control Ordinance as approved by the Town of Hamden on December 4, 2000.

If you have any questions regarding this matter, please contact Mr. Joseph Foutz, P.E. at 860-424-3027.

Sincerely,

A handwritten signature in black ink, appearing to read "Carmine DiBattista".

Carmine DiBattista, Chief
Bureau of Air Management
