Dear Mr. Pennarola:

Thank you for your email submission on April 17, 2006 of the Town of Newtown's proposed noise ordinance. Based upon our review, the revised noise ordinance complies with the standards for municipal noise regulation programs established in Connecticut general statutes § Sec. 22a-73.

Once the Town of Orange has approved the ordinance, please submit it to Michael Trahiotis, in the Air Quality Bureau at 79 Elm Street in Hartford, 06106-5127. The ordinance will then be presented to the Commissioner of Environmental Protection for approval. The Town of Newtown noise ordinance will become effective on the date of Commissioner approval. If you have any questions, please call Mr. Trahiotis at 860-424-3134.

Sincerely,

Tracy Babbidge
Assistant Director of Planning and Standards
Bureau of Air Management
