Subject: Local Noise Regulations
South Windsor, Conn.

Dear Mr. Sartor:

I have received South Windsor's zoning amendment concerning noise control as submitted by Mr. Peter DeMallie and find it in conformity with our State noise standards. Therefore, pursuant to Section 22a-73(c) of the Connecticut General Statutes I approve South Windsor's zoning regulation amendment (Section 4.8.4.1C) entitled "Performance Standards-Noise Levels" (copy attached) as adopted by the South Windsor Planning and Zoning Commission on September 21, 1982.

As you may be aware, we are available to provide South Windsor with the loan of sound measuring equipment and instruction in its use. Please feel free to contact Mr. Joseph Pulaski of our Noise Control Section at 566-7459 if you need any further assistance in this matter.

Sincerely,

Stanley D. Pac
