PROTECTION**

Attachment C
HEARING CERTIFICATION

This certifies in accordance with the provisions of Title 40 Code of Federal Regulations Part 51.102 that the following actions were taken regarding a SIP revision requesting EPA to redesignate portions of Connecticut to attainment status for the 1997 annual and 2006 24-hour PM_{2.5} National Ambient Air Quality Standard (NAAQS), as addressed by section 107(d)(3) of the federal Clean Air Act.

- 1) An opportunity for a public hearing was announced in a public notice (copy attached). No request was received for the tentative hearing; therefore, the hearing was canceled. The public notice also provided an opportunity for written comments.
- 2) In accordance with the notice, materials were available for review at DEEP's website in Connecticut and at DEEP's Hartford office;
- 3) Copies of the notice were emailed to the directors of the air pollution control agencies in New York, New Jersey, Rhode Island and Massachusetts along with a copy to the Air Management Division of Region I of the U.S. Environmental Protection Agency
- 4) The Notice of Hearing was published on the Connecticut Department of Energy and Environmental Protection website.
