**RESPONSE TO REQUEST FOR WRITTEN COMMENT**

On September 8, 2022, the Connecticut Department of Energy and Environmental Protection (the “Department”) requested Plainfield Renewable Energy, LLC c/o Greenleaf Power, LLC (“PRE”) to submit documentation “that determines the In-Service Date, as that term is defined in Attachment 1 to the Petition, of the subject biomass facility in Plainfield, Connecticut.” In response to the Department’s request, PRE submits the attached May 7, 2014 letter from The Connecticut Light and Power Company regarding PRE In-Service Date.

Respectfully submitted,

PLAINFIELD RENEWABLE ENERGY, LLC
