

2022 FRESHWATER TROPHY FISH AWARDS

CT DEEP TROPHY FISH AWARDS

Trophy fish awards are acknowledged in two categories for each species that meets or exceeds the minimum size criteria listed on our web page.

A state record fish is the single largest individual of a species that has been submitted and verified by CT DEEP.

Harvest = the largest fish by weight. New state records must be weighed on a certified scale.

Catch and Release = the largest fish by length. New state records verified by photo next to a ruler.

Submit your trophy fish using the online portal.

Questions about the freshwater catches can be directed to mike.beauchene@ct.gov
