Instructions for Completing the Certification Statement Form for the Sale or Distribution of Elemental Mercury

This set of instructions and certification statement form for the receipt of elemental mercury is available on the DEP web site at http://www.ct.gov/dep. You may also refer to the Elemental Mercury Purchasing and Distribution Restrictions Fact Sheet for additional information.

All completed certification statement forms do not need to be submitted to the DEP, but shall be kept on file with the seller, distributor or provider of elemental mercury.

Part I and II: Information on the Provider and Recipient of Elemental Mercury

When completing Parts I and II, please use the following standards:

- **Name** - Provide the full, legal company/firm name. (If identifying an entity registered with the Secretary of the State, fill in the name exactly as it is shown on the registration.) If identifying an individual, provide the full legal name (include title and suffix) in the following format: Title (Ms, Dr, etc.); First Name; Middle Initial; Last Name; Suffix (Jr, PE, PhD, etc.).

- **Phone** - A general telephone number and area code for the provider's or recipient's company or organization.

- **Address** - Physical location of provider's or recipient's company or organization including a street number and street name, city or town, state, and zip code.

- **Contact Person** - Provide the name of the specific individual who can answer questions for the provider's or recipient's company or organization.

- **Contact Telephone Number** - Telephone number and area code of the contact person.

- **Contact E-mail Address** - E-mail address for the contact person, if available.

Part III: Mercury Information

1. **Amount of Mercury** - The amount of mercury, reported in the measurement of pounds, transferred/purchased from the provider to the recipient on the date indicated on the certification statement.

2. **Date Transferred/Purchased** - The date the elemental mercury is received by the recipient's company or organization.

3. **Uses of the Elemental Mercury** - The recipient can check as many of the allowable uses of elemental mercury as are applicable. A separate form is not required if the recipient uses the elemental mercury from a single delivery for more than one allowable use (e.g. only one form is required for a delivery of mercury for manufacturing at the location delivered and for further distribution for manufacturing by your company or organization at other locations).

Part IV: Certification Statement

This part must be signed by the recipient or purchaser at the time of receipt of any elemental mercury.

Material Safety Data Sheet

Section 22a-621 of the Connecticut General Statutes requires that the seller, distributor, or provider of elemental mercury shall provide the recipient or purchaser of any elemental mercury with a Material Safety Data Sheet as defined in 42 USC 11049.
Certification Statement Form for the Sale or Distribution of Elemental Mercury

For your convenience, the Connecticut Department of Environmental Protection has provided this Certification Statement Form and instructions to help satisfy the requirements of Section 22a-621 of the Connecticut General Statutes. You may use other formats for certification statements as long as you meet the requirements of the law.

All completed certification statement forms do not need to be submitted to the DEP, but shall be kept on file with the seller, distributor or provider of elemental mercury.

The seller, distributor or provider of elemental mercury shall complete Parts I through III of this form and require the purchaser or recipient at the time of receipt of any elemental mercury to sign Part IV of this form. Refer to the instructions attached. This certification statement form and instructions for the receipt of elemental mercury is available from on the DEP website at http://www.ct.gov/dep.
