

**Application Form for
DEEP Urban Green & Community Garden Grant Program**

**Application Submission Deadline:
October 2, 2023**

Please complete this Form and include it in an application package with supporting materials for submission to DEEP. Directions for submitting your complete application package are found at Section XI at the end of this Form. Your application package will be used to evaluate and score the proposed project for grant funding. Responses to the items on this Form should be brief, factual, accurate, and relate directly to the grant program eligibility statutory requirements, standards, and criteria. Project proposals that do not meet program eligibility, or applications which are found insufficient due to missing and/or inaccurate information, will not be evaluated and may be rejected by DEEP from further review or penalized by requiring any funding surrendered should a grant be awarded.

Section III. PROJECT DESCRIPTION

Considering the eligibility requirements, standards, and criteria outlined in Section II, **please prepare a description of the project proposal, including responses to the following:**

1. Site Location	Describe where the site is and how the community will locate and access it.
2. Site Use & Public Access	Describe what types of activities will be offered at the site and by the project, how it will be opened to the general public, and if public events and community gatherings will be permitted. If fees will be charged, you must describe the fee structure and how funds will be managed.
3. Plan Design & Construction	Describe: <ul style="list-style-type: none"> - How the site is presently used, existing physical conditions, and the proposed new work to be performed. - Whether a landscape architect, design engineer, or other professional consultant is being engaged to help plan the project. - Who will perform the work (e.g., Municipal Department of Public Works, Parks & Rec Department, Commission, or volunteers). - Whether there is an identified co-sponsor that will act as project manager and describe their exact role. - Where the DEEP funding acknowledge signage will be placed and how the site will be advertised as open to the public.
4. ADA Accessibility	Describe how accessibility for people with disabilities will be integrated into the project design: <ul style="list-style-type: none"> - Accessibility for people with disabilities is a civil right defined, for these purposes, as equal opportunity for the use and enjoyment of community garden and green space restoration projects. Such consideration is especially relevant to newly constructed and altered elements, such as parking, gates, garden beds, and pathways. Degree of required accessibility often involves a balancing of civil

	rights and conservation or other needs. E.g., terrain or habitat may influence the kind and degree of accessibility allowed for on a new or altered pathway.
5. Timeframe for Completion	Describe how the proposal will be completed within 5 years.

Required Supporting Materials:

<input type="checkbox"/> Attachment A	General Location Map
<input type="checkbox"/> Attachment B	Property Boundary Survey (if available)
<input type="checkbox"/> Attachment C	Site Existing AND Proposed Conditions Plan Set
<input type="checkbox"/> Attachment D	General Public Access Map

Section IV. COMMUNITY NEED

Describe what the project will accomplish and how it benefits the community, including why a public community garden or passive recreational green space area would be a welcomed addition to the area. Explain:

- What other recreational opportunities are available within proximity?
- What major population center(s) and neighborhood(s) are within the project service area?
- What is the municipality population density and census tract?

Section V. OPERATION, MAINTENANCE, & STEWARDSHIP CAPABILITY

Describe how the project work will be managed and how the project area will be stewarded and maintained going forward. If there is an identified co-sponsor project manager describe the organization's role and the experience and positions of the personnel to be involved.

Required Supporting Materials:

<input type="checkbox"/> Attachment E	Complete copy of active (not expired) project management agreement signed by the Municipality and its Co-Sponsor (if applicable)
