Connecticut Recreational Trails Program
Grant Information and Application
(For any State funds that may become available in 2018-19)

Deadline for Submission is October 31, 2018

Eligible Applicants: Eligible sponsors include private organizations; municipalities; federal, state and regional agencies and other government entities such as tribal.

Eligible Uses: Grants to be used for planning/design, trail corridor acquisition, construction, construction administration, maintenance equipment, amenities and publications/outreach related to bikeways, multi-use trails (including motorized) and water trails (blueways).

Grant Making Process: The following outlines the general grant making process. Once program funds have been secured by DEEP, the process can take up to 6 months or more; please plan accordingly. The grant requires a 20% match which can be accrued up to 18 months prior to your contract document finalization. Match can be provided as cash or in-kind services.

1. You will receive an email or letter acknowledging receipt of your application.
2. Applications will be assessed for eligibility and given a score according to the program guidelines on page 2 of this application.
3. The program’s Advisory Committee will advise DEEP on scores and ultimate rankings.
4. A short list of projects recommended for potential funding will be created. Applicants on this short list will be contacted and will be required to provide the following relevant items:
   a. Copies of permits obtained and time-frames for necessary, but still outstanding permits (Part III, Item 1);
   b. Copies of relevant excerpts of local and/or regional plan documents that reference your project (Part III, Item 3);
   c. Evidence of public participation, such as public notices, news releases, public surveys, minutes and news articles (Part III, Item 6);
   d. Any additional information requested by the Advisory Committee.
5. A final list of applications to be funded will be generated. You will be notified by DEEP via email that our contracting process has begun. You must not begin any project work that you intend to be reimbursed for prior to your receipt of a DEEP authorized contract number.

Submission and Deadline: Proposals must be received by October 31, 2018.

a. Email to laurie.giannotti@ct.gov

   OR

b. Mail reports on a CD or other electronic storage device as appropriate to:
   Laurie Giannotti, Trails & Greenways Program Coordinator
   Department of Energy and Environmental Protection
   79 Elm Street
   Hartford, CT 06106-5127

   OR

   c. If you must send a paper proposal, include color maps and send to the above address.
**Guidelines:** The CT Department of Energy and Environmental Protection (DEEP) staff and its advisory committee [The CT Greenways Council](#) (CGC) score proposals based upon the following criteria. Final proposal ranks (High, Medium and Low) will be developed based upon the score and other potential information associated with the project provided by DEEP Staff and the CGC.

Part III: Project Information

1. Project Description Provide the following information (no more than 2 pages) as Attachment B:
   • what is the need for this project and what user group(s) will it serve;
   • what is the physical extent of the project (refer to your map, Item 2 below and in Attachment C);
   • what type of ground disturbance (specify depth and any tree cutting if stumps will be removed) will occur;
   • what type of equipment will be used;
   • what type of amenities will be installed or repaired (for example: parking lots, benches, signs which must be located on your map in Attachment C);
   • will bridges or boardwalks be installed or repaired;
   • are permits necessary (list them) and are they obtainable?
Part III: Project Information (continued)

2. **Project Maps.** Your application will be rejected unless you provide maps that will allow a field inspection to occur with ease. Include a town level project location map and a more detailed site plan showing the proposed trail bed improvements, trail heads, locations and technical drawings of trail amenities (parking areas, benches, plantings, fencing, bathrooms, etc.) and signs and/or kiosks and bridges and/or boardwalks as Attachment C. Digital photos and maps (digital photos taken of hard copy maps are acceptable) are preferred.

3. **Grant Selection Criteria.** Per the guidelines found on page 2 of this application, check the Yes or No box as applicable and provide details as specified.

4. Site Suitability:

- Yes  No  
- The project is located in a Federal Emergency Management Agency (FEMA) floodzone. You can find FEMA information at your town hall in the building department or on the Internet at FEMA’s map center (https://msc.fema.gov/portal/home): If your proposal is recommended for funding, it will be forwarded to DEEP’s Inland Water Resources Division staff for assessment of the need for Flood Management Certification (FMC). As a part of your contractual obligations, your project work within the flood plain will not be able to begin until FMC is obtained. Other restrictions may be attached.

- The project is within an aquifer protection area. [To view the applicable list of towns and maps visit the DEEP website at www.ct.gov/deep/aquiferprotection. To speak with someone about the Aquifer Protection Areas, call 860-424-3020]

- The project lies within an area identified by the CT DEEP Natural Diversity Data Base as possibly containing endangered species. If Yes, and your proposal is recommended for funding, it will be forwarded to NDDB staff for assessment. Any restrictions will become part of your contractual obligations. [For more information visit the DEEP website at www.ct.gov/deep/endangeredspecies (Review/Data Requests) or call the NDDB at 860-424-3011]

- The project may impact significant historical or archaeological sites. If your proposal is recommended for funding, you may be required to complete DEEPs Historic Preservation Review (can be found within Appendix G of The DEEP General Permit for the Discharge of Stormwater and Dewatering Wastewaters from Construction Activities (“Construction General Permit”)). Any costs you incur in obtaining the required SHPO finding will be applied toward your 20% match requirement. Non-profit organizations and municipalities are eligible for up to $20,000.00 on a non-matching basis to undertake general area archaeological reconnaissance surveys. Contact SHPO for details at 860-256-2761.

- Is the project within the coastal area? www.ct.gov/deep/gis (GIS Data)

- Are there reserved rights/restrictions or environmental intrusions (power lines, dumps, factories, roads, etc.) on or in close proximity to the trail? If Yes, please give details:

- The property through which the trail will pass is suspected of containing hazardous and/or contaminated materials. What has been done to screen for these materials?
5. **Site Accessibility and User Group Information:**

   a) Will your trail serve any elderly housing projects, housing authority (public housing), ethnic community or low or very low-income areas or neighborhoods?
   
   □ Yes □ No
   
   Please describe the methods or means by which these user groups will access the site.

   b) Will this trail be multi-use or single-use? To be considered multi-use the trail must allow two (2) or more of the following user groups: foot-travel (hike, ski, roller blade, etc.), bicycle, mountain bike, equestrian, motorized.
   
   □ Multi-use □ Single-use

   c) List the user group or groups that would be utilizing this trail? Provide some indication of use intensity expected (i.e. user/week).

   d) To what degree will this project provide assistance to people who have disabilities? Your project must use the best information available to ensure broad usability. List any ADA trailside amenities or trailhead facilities that are available (such as platforms, parking areas, shelters, compost toilets, etc.) to improve accessibility for people with disabilities. Please note: Often times, taking accessibility measures is not feasible on trails due to trail terrain, environmental conditions, nature of the setting, prevailing construction methods or required materials that would be prohibited by federal, state, or local laws or where compliance would cause substantial harm to or alter cultural, historic, religious, or significant natural features of the setting. See the Forest Service website (www.fs.fed.us/recreation) for the best available guidance for trail projects.

6. **Public Participation:** Public participation can be defined as: special public meetings, proposal reviewed by special interest groups or advisory councils and boards, public fund raising, construction or maintenance, etc.

   a) Please describe how public participation at the local level was included in planning this project. If your project is recommended for funding, you will be required to provide evidence of this public participation, such as public notices, news releases, public surveys, minutes and news articles. Please do not provide this evidence in advance.

7. **Letters of Support:** Letters demonstrating support for your project are welcomed digitally or hard copy.
Part III: Project Information (continued)

7. **Scope of work:** You will be granted 2 years to complete your project. Provide your “Project Tasks and Anticipated Completion Timeline,” as Attachment D in a table format as shown below.

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

9. **Maintenance Plan:** Grantees are required to maintain projects that utilize CT Recreational Trails Grant funds and to provide assurance of such operation and maintenance for a period not to exceed the life expectancy of the trail, ten years, or until total destruction or degradation by an act of nature, whichever comes first. All projects **must** provide a description of how the trail will be maintained including who will be responsible, who will perform the maintenance and how will it be performed, anticipated maintenance schedule, anticipated maintenance budget and funding mechanism(s). Provide a maintenance plan as Attachment F.
Part III: Project Information (continued)

10. If you are proposing a Land Acquisition Project and your project is recommended for funding by the Recreational Trails Advisory Committee, you will be required to provide an appraisal of the land to be acquired, and a review of the appraisal by an independent review appraiser.

11. If you are proposing an Educational Project, complete and submit the “Educational Project Supplemental Application” (DEEP-TRAILS-APP-001A) as Attachment G.

Part IV: Supporting Documents

Please check the attachments submitted as verification that all applicable attachments have been submitted with this application form. When submitting any supporting documents, please label the documents as indicated in this part (e.g. Attachment A, etc.) and be sure to include the applicant’s name.

- Attachment A: If the applicant is not the property owner, provide documentation of your permission for public recreational access.
- Attachment B: Project Description as described in Part III, item 1 of this application.
- Attachment C: Project location map(s) - Provide map(s) and detailed site plan as described in Part III, item 1 of this application.
- Attachment D: Scope of Work - provide project tasks as a described in Part III, item 7 of this application on
- Attachment E: Project Cost Estimates - provide budget information as described in Part III, item 8 of this application.
- Attachment F: Provide Maintenance Plan as described in Part III, item 11 of this application.
- Attachment G: “Educational Project Application Supplement” (use form provided).
Part V: Applicant Certification

The applicant and the individual(s) responsible for actually preparing the applicant must sign this part. An application will be considered incomplete unless all required signatures are provided. [If the applicant is the preparer, please mark N/A in the spaces provided for the preparer.]

"I have personally examined and am familiar with the information submitted in this document and all attachments thereto, and I certify that based on reasonable investigation, including my inquiry of the individuals responsible for obtaining the information, the submitted information is true, accurate and complete to the best of my knowledge and belief.
