Solid Waste Reported Received by Connecticut Regional (Multi-town) Solid Waste Transfer Stations (TS) FY2010

Tonnages presented in the table below are based on data submitted to the Connecticut Department of Energy & Environmental Protection (DEEP) by Connecticut permitted solid waste transfer stations as entered into the DEEP Solid Waste Database as of 10/23/2012. *If the origin of MSW received is "Unidentified – CONN", the MSW probably came from another regional solid waste facility.*

To find data for a specific transfer station type the transfer station name in the search box in toolbar at the top of the screen
